### Objective

Punctual and meticulous software engineering graduate of MYC Tech Academy seeking an internship role in MYC Tech Academy. Prepared to apply HTML, CSS, JavaScript, React, Next.js, Node.js, React Native, WordPress, and UI/UX skills to undertake innovative projects and develop technical expertise.

### Education

Crash Course in Software Engineering

MYC Tech Academy – KIBRA

September 2024 – March 2025

Completed a rigorous 6-month course on most recent web and mobile development trends. Developed hands-on projects using React, Node.js, and UI/UX design.

### Skills

Frontend Development: HTML, CSS, JavaScript, React, Next.js, React Native

Backend Development: Node.js

Content Management: WordPress

Design: UI/UX Design

Soft Skills: Problem-solving, collaboration, adaptability, attention to detail

### Projects:

Responsive Websites with MERN Stack, (MongoDB, Express, React, Node.js)

Designed and constructed responsive websites using React, Node, MongoDB, Express and Tailwind CSS to showcase skills and projects.

Employed Next.js for performance enhancement and SEO.

### E-commerce Mobile App

Constructed a cross-platform mobile app using React Native, user authentication, and real-time updates with Node.js backend.

Placed high value on intuitive UI/UX design to enhance user experience.

### WordPress Blog Customization

Built and customized a WordPress site with a custom theme, styling, and functionality using HTML/CSS.
